ANOTHER STRIKE IS ON.

Southwestern Telegraph and Telephone
Company Employees Again Walk Out.

LOCAL TELEPHONE SERVICE SHUT DOWN

Strike is in sympathy with those at
Other Points and to Enforce
Local Demands.

At 7:45 o'clock yesterday morning
practically all of the employees of the South-
western Telegraph and Telephone
company at Houston walked out on a strike,
partly on a local grievance, but principally
through sympathy with the strike of the
company's employees at Waco and
San Antonio. Eighty-five persons, in-
cluding the female operators and male
linemen, inspectors, etc., are out, and the
company is making no effort to continue
its local service pending an adjustment.
The long distance service was partially
working yesterday, but practically the
entire business is at a standstill. Of the
eighty-five persons who walked out, fifty-
eight are operators.

A schedule of demands was submitted
to General Manager Henshaw between
5 and 10 o'clock Saturday night, allow-
ing the company until 5 p. m. Sunday
to consider and reply. Mr. Henshaw sug-
gested that as the limit allowed for a
compliance with the demands expired on
Sunday the time be extended until Mon-
day morning. The employees agreed to
this, and at 7:45 yesterday morning,
when Mr. Henshaw informed them that
he was without authority in the premises
they walked out. A few of the
employees desired to continue work, but
Mr. Henshaw thought it best to suspend
the entire unit until he could get
instructions from those higher in author-
ity.

The demands submitted are as follows:
We, local 68, International Brotherhood
Electrical Workers of America,
herby demand the following:

Union foreman, union trouble clerk,
union chief operators, union operators,
union linemen, union inside wiremen,
union inspectors or trouble men, union
switchboard men, union cable men, and a
settlement with Waco local No. 72 and
San Antonio local No. 60, to be an-
swered by 5 p. m. November 4, 1900.

John De Voe,
W. R. Dougherty,
J. H. Bennett,
J. H. Borshers,
I. Schindell,
R. R. Tripp.

The local manager transmitted the de-
mands to the general manager, E. K.
Baker, at Austin, and he in turn sent
them to company headquarters at Lowell,
Mass., and is now awaiting instructions.
The strike in Houston is an orderly one
so far, and from the best information
there has been no friction between the
employees and the local management, ex-
cept possibly some in regard to the de-
mands. The situation at present is
simply the employees submitted demands
and the management did not agree to
them. The employees are now waiting
for the management to make a decision.
A meeting of the employees was held
last night at Odd Fellows' hall, and
strike headquarters have been established
temporarily in the Pythian hall. At pre-
sent there is no indication from which to
judge the probable duration of the
strike.

Austin, Texas, November 5.—E. K.
Baker, general manager of the South-
western Telegraph and Telephone company,
has returned from San Antonio, where the
operators and linemen are on a strike.
Colonel Baker said that the company had
the exception of the long distance and at this
time he was unable to say when the ser-
vice would be resumed. He also said the
company would not reinstate any of the
striking operators.

San Antonio, Texas, November 5.—The
third day of the telephone strike did not
bring the phone users any relief. Up to
the present the Southwestern Tele-
phone company has made no attempt to re-
store the service or a portion thereof. From the
best information obtainable it was learned
that no outside operators have been im-
ported into the city. A feature of the day
has been the work of committees appointed
to call upon local business men request-
ing them to have their phones taken out of
the strike. It is not immediately ad-
justed. The committee presented each business
man with a formal order to the telephone
company requesting the removal of the
instrument; 272 business men were seen
and of this number 200 agreed to discon-
nect their phones if the strike was not
ended. The committees will continue to
visit subscribers. The success of the
movement has been phenomenal. There
have also been meetings between busi-
ness men and strikers, and every one is
in sympathy with the strikers.

HEARNE NEWS NOTES.

Much Discussion of the Boll Weevil

Just at This Time.

Hearne, Texas, November 5.—The
Brazos Valley Medical association will
meet in Cameron November 12 and 14.
Nearly all the doctors in this section
will attend.

A great deal of talk has been heard
here for the past few weeks among the
planters discussing the boll weevil, and
ways for exterminating it. Some ad-
vocate the burning of the fields after the
cotton has been picked, while others
say plowing the land will kill them.
Others say that if the cattle are turned
into the fields, all green vegetation will
be eaten and the place will be left for
the weevil to live through the winter.
It is likely that several experiments will
be tried this winter in destroying them.
Rev. Howell will begin a pro-
tracted meeting here tonight in the
Methodist church, having preached here
before. The meeting will last one week.
There will be two voting boxes here
tomorrow. One will be for the presi-
dential electors and a congressman; the
other will be for State, county and pre-
dictor officers.

Miss Little Miller of Franklin spent
yesterday visiting relatives in the city.
Mr. P. F. Watson of Calvert was a
visitor to the city for a few hours to-
day.

Mr. and Mrs. W. F. Ferguson have re-
turned from a visit to relatives in Cal-
vert.

Mr. Jake Cohen, formerly of this place
but now of Rosebud, visited relatives
here today.

Dr. E. W. Simmons left this morning
for Bremond to spend the week on busi-
ness.

Band Benefit Ball.

Beaumont, Texas, November 5.—The Beaumont city band is making preparations to
give a big ball in the near future for the
benefit of their uniform fund. There is now
no better band in the State for a town the
size of Beaumont, and that they need uni-
forms is not necessary to state. The com-
ing rice carnival the band will be in service
all during the carnival season and they are
anxious to make as good an appearance as
possible. It will be remembered how promp-
tly the boys gave what money they had
accumulated for the uniform fund to the

should patronize them in every way possi-

and more for the uniforms. The date for

BETTER THAN THE KNIFE.

Pyramid Pile Cure Cures Piles
Quickly, Painlessly, Without
Danger.

People go along for years, suffering
with piles. They try this and that
and the other thing, from carrying a buckeye
to getting treatment from a physician.
They obtain temporary relief, maybe, but
they are never quite cured. A little
strain in lifting, excessive fatigue, a lit-
tle constipation, or a little diarrhoea and
the piles come back. They don't seem
to amount to much, but they bother sleep
and appetite. No position is comfortable.
There is intense local pain and that ir-
ritating agonizing feeling of weight in the
perineum.

Maybe in the early stages some of
the many salves on sale will afford tem-
porary relief. If the case is of long
standing there is only one speedy and
sure remedy. It is Pyramid Pile Cure.
Even in light cases it is the safest thing
to use. Other applications may cure and
may not. Pyramid Pile Cure is always
certain, always reliable, always brings
comfort at once. Its prompt use saves
months of severe suffering. In extreme
cases it will save surgical operations and
their attendant dangers and discomforts.
It is better than a knife. It will cure
easier, quicker and safer. Thousands
have used it. Thousands have been cured
by it. The cost is trifling compared with
what it does. The price is one dollar.
Most anybody would gladly pay ten dol-
lars to be rid of piles.

Druggists sell Pyramid Pile Cure. If
you haven't it, we will get it for you
from the Pyramid Drug Co., Marshall,
Mich., sole manufacturers.

Orange News Notes.

Orange, Texas, November 5.—This morning
about 2 o'clock a burglar entered the re-
sidence of Julius Miller, secretary of the
Miller Lumber and Shingle company, and be-
gan to steal the contents of the house.
He first emptied the refrigerator and made
a hearty meal and then went from room
to room gathering up clothing and jewelry.
His movements awakened one of the boys
who saved the alarm and tried to catch
the burglar, but he escaped. So closely pursued
was he, however, that he lost the clothes,
but kept the money. Officers were im-
mediately summoned and put the bipod
hounds on the trail, which they followed
until they reached the passenger depot, but
the burglar could not be traced further, so it is presumed
the burglar caught a passing freight train
and escaped.

District attorney here this morning
announced that four felony cases were set
for trial today, but all of them were con-
tinued until the next day.

L. J. Cox of the tax department of the

today.
